Gentlemen:-

Enclosed please find my check for $[illegible] in full of my account to date. Kindly send me bill stating the condition of the two coins, date and price. Kindly mark same receipted. Please give this matter your immediate attention and send bill at once.

In looking through the catalogue sent me I find that there are several things I could use at your auction sale July 7th., but as I am about to leave town I have no time to give to this catalogue. But when your next sale comes off, send me a catalogue and I may be able to do some business with you.

Yours respectfully,

William L. Strauss
